THE STAFFORDSHIRE BULL TERRIER CLUB OF WESTERN AUSTRALIA
SILVER ANNIVERSARY DOUBLE HEADER CHAMPIONSHIP SHOWS
SATURDAY 5th NOVEMBER 2011

Firstly, my thanks must go to the Officers and Committee of The SBTCWA for the invitation to Judge at your Silver Anniversary Championship Show. It was a tremendous honour and privilege for me. Also a very big thank you for the hospitality and friendliness afforded to both myself and Julie from everyone we met throughout our stay in WA. It was very warmly welcomed and very much appreciated. Thank you.

Huge congratulations must go to everyone connected to the SBTCWA for putting together such a fabulous Double Header Show weekend. The prizes, ribbons and rosettes were absolutely fantastic. Both Shows ran like clockwork and it was just such a privilege to be part of your Silver Anniversary celebrations. It was a great pleasure meeting lots of new people and Stafford's and getting to know you all. Had our stay been longer then I'm sure we could have spent more time with more of our fellow Stafford enthusiasts than we were able. Everyone we met in WA made our stay all the memorable and one that we will never forget.

On a point of note I was informed after the show that my Dog CC winner **GRD CH CASTLEBAR CROWN JESTER** (Joker) had equalled on the day the Australian Breed Record for CC's won. The next day he did the same again under Frank McCann so over the course of this fabulous weekend Joker not only equalled but surpassed the current Australian Breed Record by accruing his 17th CC at Breed Speciality Shows.

I was very pleased with my final line ups and also the sporting manner in which my decisions were taken throughout the day. Many times I found myself splitting hairs as the decisions were very close.

DOGS

BABY DOG (5)

1st Bawden's CASTLEBAR RISE N SHINE,bl/br,showing great promise at just 6 months of age,head coming nicely,neat ears,dark eye,correct bite,good neck into well laid shoulders,straight front,good bone & feet,correct spring of rib for age,level topline,closely coupled,good angulation on hindquarters,in good coat & condition,moved & handled well.**Best Baby.**
