 **BlackHawk[®]**

37th Championship Show for the Staffordshire Bull Terrier Club of Western Australia.

9th November 2024

Judge: Mr Paul Martin (LOYALSTAFF)

I had a fantastic time Judging the show and the Exhibitors were super, although the club is small in numbers, it more than makes up for it in enthusiasm and hospitality, my treatment was fantastic. Anyone who gets the honour of being offered this appointment is truly privileged.

One thing I would advise exhibitors to do under UK judges is to walk their dogs rather than trot them, movement on a Stafford is hard to assess on dogs trotting, this is not how Stafford's move. I understand that with so many all-breeds judges judging your dogs this is how it's done but Stafford Specialists don't appreciate this, as it causes dogs legs to come in to close at the back.

Overall, you all work very hard on the presentation. I saw a few inverted canines on show, but the majority had good bites. There were a few that would not let me see their mouths, but this can be worked on, it just takes time and patience. The committee and stewards on the day did an excellent job and the venue was superb thank you so much for your hard work and the opportunity to judge this show.

Class 2 Minor Puppy Dog

1st - #1 Mr SP & TM Henderson's – POWERPAWS JUS LIKE JESSE JAMES

White with black eye, very nice head, with good dentition, nice muzzle ratio, carried ears ok, dark enough eyes, excellent front, straight and ample width, well padded feet and good topline standing, moved well enough for such a young dog and good tail carriage. Very nice young dog and well handled.

Class 3 Puppy Dog

1st - #2 Mr G & Mrs S Stephen's MAGICMINE LEGACY OV ANGELS

Black brindle, with very good head and a good bite, nice/neat ears and good dark eye, front ok, nice tight feet and moved very well carrying a good topline, carried tail high but forgivable.

2nd - #3 T Simpson & D Quiring's WESTVIKING READY AIM FIRE

Dark brindle with another very good head, unfortunately he would not let me access his mouth, one of a few today that needs more work on this. Neat ears and nice dark eye, had a very good front leading down to well-padded feet, moved well carrying a nice topline and tail carriage, very close call with 1st but needs work on handling to show full potential.

Class 4 - Junior Dog

1st - #4 Mrs D & Mr A Major's KABERE JUST BOUT JAK O YA (AI)

Black brindle with white socks, the first of 3 with excellent head in this class, excellent bite best in the class, neat ears, nice dark eye, good clean front no exaggerations, tidy feet, nice topline maybe prefer slightly more rib, moved well and tail carriage correct.

2nd - #6 Ms S Graham's AVONCREST ITS NEVER DUCK

Black with white excellent headpiece, mouth ok and nice/neat ears, dark eye, very good front, feet ok, nice topline moved ok but carried tail high on the move.

3rd - #5 Mrs T McCrea's WESTVIKING A COWBOYS GAMBLE

Black brindle excellent head again, bite ok and nice/neat ears and nice dark eye, good front going down to nice neat feet, good topline but unfortunately again carried tail very high on

the move.

Class 5 Intermediate Dog

1st - #7 Ms A Munro's FORMULABLUZ MASK IZ OFF (AI)

A deep red with white, excellent head, very good bite with a nice, pronounced stop, neat ears, eyes dark enough, excellent front clean as a whistle, nice tight feet and very good topline, moved well.

2nd - #8 Mr J & Mrs N Lazzo's CH BOLDHART ACE OF SPADES

Dark brindle with strong head a bit too short in the muzzle for me, good bite neat ears dark eye, good tidy front nice feet, short in back with good topline moved ok.

Black brindle, excellent head shape, good bite, very good ears and he used them to full advantage to get my attention, nice dark eye, excellent front width and depth with nice

overall balance. He moved very well and was shown to perfection, in the dog line up he never put a foot wrong and showed his alertness **BIS**.

2nd - #13 Wendy Hodyl's GUNNSLINGA ARMED FOR ACTION JC

Dark brindle, nice head, hard to access his mouth, one of a few today, Dark eyes, would prefer a bit more lift on him, topline Ok, but he was favouring one of his back legs on the move.

Class 11 Open Dog

1st - #14 Koendidda Kennels' CH KOENDIDDA ONYA BIRRI ET.

White with marks, this dog looks so much like my old boy Bullseye. I loved him, unfortunately just like my own dog he was just too big in all departments, but perfectly proportioned. An excellent head with a very good bite, neat ears, dark eyes, brilliant front with bucket loads of substance, good topline and moved well, unfortunately I was here to judge as close to the standard as I could as this boy I would have taken home.

2nd - #18 Mrs N Kesic's CH AKINOS GOD OF MISCHIEF

Black Brindle, another excellent dog but unfortunately, he would not let me assess him today so no notes.
